

# HOPE EGG FARM EXPANSION

## Persecuted Families Experiencing CHRIST'S Love Through Business Opportunities

Expansion from 1500 to 3000 Chickens

### Overview

The West Bank is an area ravaged by political turmoil, widespread poverty, food shortages and infrastructure destruction. Forty percent of West Bank families are unemployed. Operated by local Muslim background believers, Hope Egg Farm, provides income to a group of new believers who are often persecuted and find themselves living below the poverty line, Through its sister organization, Seeds of Hope, Hope for Ishmael is able to reach out and encourage these new believers while planting seeds of hope for the future.
